THE TORONTO BLUE JAYS featured the American League's most explosive offense in 2000, leading the circuit in home runs (244) and extra-base hits (593). Seven different Jays hit at least 20 homers to tie an A.L. record, while Carlos Delgado (41), Tony Batista (41), Jose Cruz (31) and newcomer Brad Fulmer (32) all reached the 30-homer plateau to tie another American League mark. The power surge helped carry the club to its third consecutive winning season, finishing only 4½ games back of the New York Yankees. Carlos Delgado was the club's main offensive catalyst during much of the season, setting career-highs in average (.344), runs scored (115), doubles (57) and RBIs (137). On the mound, southpaw David Wells was the staff ace, notching 20 wins with an A.L. best nine complete games. He became the club's first lefthanded 20-game winner. Despite Wells's and Delgado's heroics, the team faltered heading down the stretch, due to injuries and inconsistent pitching. Raul Mondesi, who electrified fans with his energy and all-out effort, missed almost half of the season with a damaged elbow. The pitching staff was diminished by injuries as well, with Joey Hamilton and Frank Castillo both forced to the sidelines. Before his injury, Castillo was the surprise of the season, winning 10 games with an outstanding 3.59 ERA after having won a spot in the starting rotation after a strong training camp.

THE BLUE JAYS established two new franchise records in 1999 with a .280 team batting average and 883 runs scored. Shawn Green, who enjoyed a league-high 28-game hitting streak in July, blossomed into one of the A.L.'s premier power-hitters by crushing 42 homers during the campaign. Carlos Delgado led the club in home runs (44) and RBIs (134), while third baseman Tony Fernandez, second baseman Homer Bush and outfielder Shannon Stewart all hit above .300. Fire-balling freshman hurler Billy Koch set a new American League rookie record with 31 saves and was rewarded by being named the team's Pitcher-of-the-Year and Rookie-of-the-Year. Kelvim Escobar (14-11), Pat Hentgen (11-12) and David Wells (17-10) all reached double-digits in victories, helping the club stay in wild-card contention until the dog days of August.

IT WAS A TALE OF TWO SEASONS for the Blue Jays in 1998, as the team struggled during the first half of the campaign before exploding into wild-card contention in August. Free agent Jose Canseco returned to the form that made him one of the A.L.'s most feared sluggers, slamming 46 homers and stealing 29 bases. Shannon Stewart, Jose Cruz Jr. and Shawn Green patrolled the outfield, combining speed with power in a manner that recalled the famed 1980s trifecta of Bell, Moseby and Barfield. The infield defense was solidified with the addition of Tony Fernandez who led the team with a career-best .321 batting average. Shawn Green served notice that he was among the A.L's elite by joining the exclusive 30-30 club with 35 homers and 35 stolen bases. Carlos Delgado led the Jays with 115 RBIs, while Canseco drove in 107. Roger Clemens earned his fifth Cy Young Award, going 20-6 and topping 3,000 career strikeouts.

FREE AGENT ACQUISITION ROGER CLEMENS was the story of the Blue Jays' 1997 season. In addition to capturing his fourth Cy Young Award, Clemens tied a club record with 21 victories and established a new franchise mark with 292 strikeouts. By finishing the season with a league-low ERA of 2.05, Clemens also became the first Blue Jay to win the "Triple Crown" of pitching. Joe Carter reached the century mark in RBIs for the tenth time in his career and passed George Bell as the club's all-time home run leader when he hit his 203rd Blue Jay round-tripper in September. Carlos Delgado (30 HRs, 91 RBIs) and Shawn Green (16 HRs, 53 RBIs) emerged as the club's newest offensive weapons. Sophomore hurler Chris Carpenter chalked up 12 wins while Pat Hentgen continued to deliver victories (15) and innings pitched (264).

THE BLUE JAYS 20TH ANNIVERSARY season was highlighted by the performance of pitcher Pat Hentgen, who became the first Blue Jay to win the Cy Young Award. Hentgen posted a 20-10 record and led the A.L. with 10 complete games and 265.2 innings pitched. Third baseman Ed Sprague recorded career-best numbers, registering 36 home runs and driving in 101 runs, while Joe Carter rebounded from a sub-par 1995 season to top the 30 homer and 100 RBI plateaus for the ninth time in his career. Right-hander Juan Guzman also returned to the form that made him one of the junior circuit's top hurlers, leading the A.L. with a 2.93 ERA. Robert Perez led the team with a .327 average, while Jacob Brumfield supplied some well-needed punch to the offense by hitting 12 homers and delivering 52 RBIs. Youngsters like first baseman/DH Carlos Delgado, outfielder Shawn Green, and shortstop Alex Gonzalez showed both potential and improvement when they were given a chance to play every day. The result was an 18-win improvement over the club's 1995 record.

DESPITE THE DISAPPOINTING RESULTS that were reflected in the standings, the 1995 season still featured its share of Blue Jays highlights. Joe Carter belted 25 HRs to lead the club in round-trippers for the fifth straight season while right-fielder Shawn Green set a club rookie record with 50 extra base hits. Freshman backstop Sandy Martinez jumped from AA to the major leagues in mid-season and led the team in RBIs in August. Southpaw Al Leiter posted career-highs in wins (11); ERA (3.64); innings pitched (183.0) and strikeouts (153). Domingo Cedeno and rookie Tomas Perez both helped solidify the defense and Ed Sprague (18 homers, 74 RBIs) emerged as a team leader and solid presence at third base. Also impressive was the resilience of left-hander Tony Castillo (3.22 ERA in 55 games) and the promising contributions of diminutive rookie pitcher Ken Robinson (3.69 ERA in 21 appearances) and split-finger specialist Tim Crabtree (3.09 ERA in 31 appearances).

THE 1994 BLUE JAYS STRUGGLED in May and June and finished under .500 for the first time since 1982. The club started strongly, thanks in large part to the efforts of two gifted sluggers. Carlos Delgado was an early-season sensation, tying a major-league rookie record with eight homers in April. World Series hero Joe Carter was also at his record-smashing best, establishing a new M.L. record with 31 RBIs in the first month of the campaign. While the Jays were setting individual milestones, the team struggled, winning just 18 games in the months of May and June combined. The club rebounded with 17 victories in July, but they were 16 games back when the season was halted due to a labour dispute. Inconsistency and injuries figured prominently in the team's disappointing result. Veteran right-hander Juan Guzman struggled to find his control and bullpen ace Duane Ward injured his shoulder in spring training, underwent surgery and was lost for the season. Yet, in spite of the team's failure to finish above .500, there were numerous highlights. Veteran Paul Molitor hit .341. Mike Huff and Dick Schofield performed well, both in the field and at the plate. Pat Hentgen was named the Jays' Pitcher-of-the-Year, thanks to a team-leading 13 wins as well as an ERA of 3.40. The surprise of the season was the emergence of Darren Hall as the club's closer. The veteran minor leaguer recorded 17 saves to win team Rookie-of-the-Year honours.

THE BLUE JAYS became the first expansion team to win back-to-back World Series titles in 1993, downing the Chicago White Sox in the A.L. Championship Series before defeating the Philadelphia Phillies in six games to win their second world championship. Paul Molitor was brought in to replace the departed Dave Winfield and former Oakland ace Dave Stewart was signed to solidify the starting rotation. The Jays became the first team in modern baseball history to finish the season with a lineup that included the top three hitters in the League. John Olerud (.363), Paul Molitor (.332) and Robbie Alomar (.326) finished in that order. Joe Carter was as consistent as ever, hitting 33 homers and driving in 121 RBIs, and Tony Fernandez, brought aboard early in the season, hit .306. Eight Blue Jays drove home at least 50 runs. The pitching staff was anchored by Stewart and Jack Morris, but it was Pat Hentgen who emerged as the ace, winning 19 games. Juan Guzman was a marvellous 14-3 while Duane Ward established a new team record with 45 saves and an impressive ERA of 2.13.

We can, we are, we will: Jays win World Series

FROM THE START OF SPRING TRAINING, the Blue Jays focused on three objectives: to defend their A.L. East title ("We Can"), to capture their first American League pennant ("We Are"), and to win the World Series ("We Will"). Although the 1991 version of the Jays was a high quality team with all-stars at three positions, the squad still needed extra depth in four areas: defense, starting pitching, leadership and designated hitting. Veteran Alfredo Griffin was signed as infield insurance and Dave Winfield (.290, 108 RBIs), a respected leader with a potent bat, was inked to solidify the DH spot. Free agent Jack Morris (21-6), with two World Series rings to his credit, was the final piece of the puzzle. He went on to become the first 20-game winner in the history of the franchise. The Jays rolled through the regular season, gained a measure of revenge by ousting the Oakland A's in six games then became the first team outside the United States to win a World Series title with an exciting six-game series win over Atlanta. In addition to Winfield, the offensive heroes for the club were Joe Carter (34 HR, 119 RBIs), Robbie Alomar (.310, 76 RBIs), and Candy Maldonado (20 HR, 66 RBIs). Juan Guzman (16-5), Jimmy Key (13-13) and Todd Stottlemyre (12-11) all reached double digits in wins and the almost unstoppable tandem of Tom Henke and Duane Ward combined for 10 wins and 46 saves.

Pumping his fist in delight, Ed Sprague celebrates his clutch pinch-hit homer in the second game of the World Series.

New faces, record crowds and a third A.L. East crown

IN A DRAMATIC REVERSAL OF STRATEGY, Pat Gillick completely rebuilt the roster of the Toronto Blue Jays with a flurry of off-season moves. He sent three players, including Junior Felix, to the California Angels for Devon White and Willie Fraser and then shocked all of baseball by sending Tony Fernandez and Fred McGriff to the San Diego Padres for Joe Carter and Roberto Alomar. The new additions helped the Jays win their third A.L. title, but once again the club faltered in the playoffs, losing in five games to the Minnesota Twins. The loss overshadowed the contributions of newcomer Juan Guzman (10-3), Robbie Alomar (.295, 53 steals), Joe Carter (33 HR, 108 RBIs), Tom Henke (32 saves) and Todd Stottlemyre (15-8, 219 innings, 3.78 ERA). Third baseman Ed Sprague, brought in to replace an injured Kelly Gruber, batted .391 in Gruber's absence, earning a full-time spot on the big club's roster for the remainder of the campaign.

September rally can't undo August slide

THE BLUE JAYS failed to defend their A.L. East title again by finishing in second place, two games behind the Boston Red Sox. The Jays were in first place in every month except August, when the club had its worst stretch of the season with eight losses in ten games. Still, the Jays managed to win 14 of their first 18 games in September and went into the final weekend of the season with a chance to win the division. Kelly Gruber had a career year, hitting 31 homers and delivering 118 RBIs. Fred McGriff reached the 30-homer plateau for the third straight season, finishing with 35. Young players John Olerud (14 homers, 48 RBIs) and Glenallen Hill (12 homers) each made fine contributions, while backstop Pat Borders set career highs in homers (15) and RBIs (49). The pitching staff was once again anchored by Dave Stieb, who won 18 games and recorded a sparkling 2.93 ERA. The southpaw combo of Jimmy Key (13-7) and David Wells (11-6) was augmented by Todd Stottlemyre, who won a career-high 13 games. Tom Henke and Duane Ward combined for 43 saves. The highlight of the season came on September 2, when Dave Stieb recorded the first no-hitter in Blue Jays history, a 3-0 win in front of a small crowd in Cleveland.

In the end, there were no excuses. The team simply didn't get the job done. And that meant changes.

THE TORONTO BLUE JAYS won their second A.L. East Division crown in 1989, enduring a slow start and a managerial change before putting together a strong second half. A serious injury to Tony Fernandez and a lack of clutch hitting left the Jays 12-24 in mid-May. Manager Jimy Williams was dismissed and replaced by batting coach Cito Gaston. The club responded immediately and started climbing the ladder to the top. A key moment in the season came during a three-game sweep of the Boston Red Sox, when the Jays rebounded from a 10-run deficit to win in extra innings. Exciting newcomers included Junior Felix (46 RBIs), Glenallen Hill (.288) and key mid-season acquisitions Mookie Wilson and Lee Mazzilli, all of whom helped carry the team to the title. George Bell rebounded from a sub-par 1988 season to drive in 104 runs while Fred McGriff finsihed with 36 homers. Dave Stieb was the ace of the staff again with a 3.35 ERA and a team-high 17 wins. Newcomers David Wells (7-4, 2.40), Todd Stottlemyre (7-7, 3.88) and Frank Wills (3-1) combined with the tandem of Tom Henke and Duane Ward (35 saves between them) to give the Jays a powerful bullpen. However, the Jays were no match for the powerhouse Oakland Athletics in the A.L. Championship Series. The A's used speed, power and an intimidating brand of baseball to cruise past the Jays in five games.

A SLOW START that saw the club win only nine of its first 22 games played a key role in the Jays' third place finish in 1988. On almost every other level, the Jays had an exceptional year. The club led the league in home runs (158), triples (47) and slugging percentage (.419). The pitching staff also had a marvellous season, leading the league with 17 shutouts and a nifty 3.80 team ERA. Dave Stieb, who became the first pitcher in league history to lose back-to-back no-hitters with two outs in the ninth inning, rebounded to win 16 games and record an ERA of 3.04. Jimmy Key was superb once again, notching 12 wins and a 3.29 ERA, while another lefthander, Mike Flanagan, went 13-13 in his first full season as a Blue Jay. Tom Henke saved 25 games and was deftly assisted by Duane Ward, whose wicked slider helped him record 15 saves. On the offensive side of the ledger, the Jays had two new emerging stars. First baseman Fred McGriff produced 34 homers while third baseman Kelly Gruber knocked out 16 HRs and added 81 RBIs. In the outfield, George Bell, Jesse Barfield and Lloyd Moseby continued to produce, combining for 52 homers and 195 RBIs.

IN THE MOST EXCITING STRETCH RUN in franchise history, the Blue Jays and Detroit Tigers battled through seven gripping one-run games before the Tigers edged out the Jays for the 1987 A.L. East crown. The Jays, who won the first three games of a late season home-and-home series with Detroit, ended up losing their last seven games, four of which were against the Tigers. Key season-ending injuries to Tony Fernandez and Ernie Whitt played a large role in the club's collapse. Still, it was one of the greatest campaigns in club history. George Bell became the first Blue Jay to win the American League MVP award, setting team records with 47 homers and 134 RBIs. Lloyd Moseby also had a career year with 26 HRs and 96 RBIs. Rookie first sacker Fred McGriff knocked out 20 home runs and Jesse Barfield added another 28 HRs and 84 RBIs. The rookie sensation of the season was southpaw Jeff Musselman, who won 12 games and added three saves. In total, six different pitchers won at least 10 games. In addition to Musselman, Jimmy Key (17-8), Jim Clancy (15-11), Dave Stieb (13-9), John Cerutti (11-4) and Mark Eichhorn (10-6) all reached double figures in wins. The highlight of the season came on September 14 when the Jays established a major league record by hitting 10 home runs in a game against Baltimore.

THE JAYS ENTERED THE 1986 SEASON with a new manager and a new goal: to defend their A.L. East title. Third base coach Jimy Williams replaced Bobby Cox, but the club was slow to respond to their new skipper. Despite all-star performances from Jesse Barfield, George Bell and Tony Fernandez, the club finished in fourth place. Barfield and Bell both had career years, with Bell slugging 31 homers and Barfield setting a team record with an A.L. leading 40 of his own. Both men established new club marks with 108 RBIs. Tony Fernandez, a wizard with the glove, was a magician with the bat as well, hitting .310 with a team-record 213 hits. While the position players all had sterling seasons, the pitching staff went through a difficult campaign. Dave Stieb (7-12) failed to win ten games, Jim Clancy (14-14) lost his last seven decisions and Doyle Alexander (5-4) was dispatched to Atlanta for Duane Ward. Only Jimmy Key (14-11, 3.57 ERA) managed to match his performance of the previous campaign. There were some fine performances from the bullpen staff. Tom Henke saved a team-record 27 games, lefty John Cerutti went 9-4 and submarine-styled rookie Mark Eichhorn won team Pitcher-of-the-Year honours by winning 14 games and compiling a 1.72 ERA.

THE TORONTO BLUE JAYS won their first American League East Division Championship on October 5, 1985 when Doyle Alexander pitched a complete game to beat the New York Yankees 5-1. They finished the season with 99 wins but lost a hard fought seven-game A.L. championship series to the Kansas City Royals.

In the off-season, the Jays attempted to improve their bullpen, trading Alfredo Griffin and Dave Collins to Oakland for bullpen ace Bill Caudill. Tony Fernandez replaced Griffin at shortstop and he responded by batting .289 and playing airtight defense. Jesse Barfield and George Bell were a potent 1-2 combo at the plate, combining to hit 55 home runs and drive in 179 runs. Once again, the club had four pitchers with at least 10 wins. Doyle Alexander topped the staff with 17 victories, while Dave Stieb (14-13), Jimmy Key (14-6) and reliever Dennis Lamp (11-0) all recorded key wins during the championship run. Stieb's 2.48 ERA was the lowest mark in the American League. The most surprising performance of the season was delivered by Tom Henke, who came up from the farm in mid-season and recorded 13 saves and a 2.03 ERA. Jim Acker chipped in with seven wins and 10 saves, while the third base tandem of Rance Mulliniks and Garth Iorg combined for 17 homers and 94 RBIs.

Unstoppable Tigers conceal Jays' strong season

THE TORONTO BLUE JAYS made a number of off-season moves in an attempt to improve the depth of their bullpen, which had been a key factor in their late-season collapse in 1983. The club signed free agent closer Dennis Lamp and sent Barry Bonnell to Seattle for left-hander Bryan Clark. Unfortunately, neither pitcher lived up to expectations. Lamp was inconsistent, finishing with an 8-8 record, nine saves and a 4.55 ERA. Clark tossed only 45.2 innings and registered an ERA of 5.91.

In hindsight, there was little the Jays could have done in 1984. The Detroit Tigers won 35 of their first 40 games and easily cruised to the Division crown. Despite bullpen troubles, the Jays did have a productive season, winning 89 games and climbing to second place in the A.L. East standings. George Bell established himself as the team's offensive leader, stroking 26 homers and driving in 87 runs. Speedy Dave Collins set a club record with 60 stolen bases while Lloyd Moseby continued to provide the team with tight defense and timely offense, matching a career-high with 18 home runs and a club-high 92 RBIs. Doyle Alexander was the ace of the pitching staff, tossing 11 complete games on his way to a 17-6 season with a sparkling ERA of 3.13. Dave Stieb (16-8, 2.83), Luis Leal (13-8, 3.89) and Jim Clancy (13-15, 5.12) all reached double digits in victories. Savvy rookie southpaw Jimmy Key set a Jays rookie record with 10 saves, a total matched by Roy Lee Jackson.

THE TORONTO BLUE JAYS became contenders in 1983, and much of Canada was gripped by Blue Jays fever in July and August. The Jays were fuelled by speed, timely hitting, strong defense and three excellent starting pitchers. The DH tandem of Jorge Orta and Cliff Johnson combined to hit 32 home runs and drive in 114 runs. Lloyd Moseby clicked on all cylinders, hitting .315, scoring 104 runs, stealing 27 bases, all while showing respectable power with 18 homers. Newcomer Dave Collins and Damaso Garcia both burned up the base paths, swiping 31 bases each to share the team lead. Willie Upshaw emerged as a top offensive weapon, clouting 27 home runs and becoming the first Jay to reach the century mark in RBIs by plating a team-record 104 runners. The terrific trio of Dave Stieb (17-12), Jim Clancy (15-11) and Luis Leal (13-12) continued to build on the momentum they had established the previous summer. Dave Stieb's 3.04 ERA established him as one the top pitchers in the majors and set a new team record. Crafty Doyle Alexander, acquired by general manager Pat Gillick after he had been released by the Yankees, regained his confidence and control and reeled off six straight wins as the season drew to a close. Randy Moffitt saved 10 games and compiled a nifty 6-2 record to lead the bullpen crew. If there was one glaring weakness on the club, it was in the late innings where the Jays lacked an effective closer. The hunt for a ninth inning go-to pitcher was the main item on the Jays' summer shopping list.

A NEW MANAGER and a new attitude combined to give the Blue Jays their best-ever record and a taste of life outside the basement. Bobby Cox, former skipper of the Atlanta Braves, came aboard and immediately started molding the club in his image. Cox was an expert strategist who decided to use a platoon system at third base and behind the plate. Rance Mulliniks and Garth Iorg split the hot corner while Buck Martinez and Ernie Whitt shared duties behind the plate. Although rising new stars like first baseman Willie Upshaw (21 homers, 75 RBIs) and Jesse Barfield (18 homers, 58 RBIs) more than compensated for the departed John Mayberry, the real story of the Jays success in 1982 was on the mound. The club's ERA was a shining 3.95, with three hurlers, Luis Leal (12-15, 3.98), Jim Clancy (16-14, 3.71) and Dave Stieb (17-14, 3.25) reaching double digits in wins. Down in the bullpen, Dale Murray got the bulk of the work, appearing in a team-high 56 games and collecting 11 saves. The offense was sparked by Damaso Garcia, who stole 58 bases and batted a lofty .310, and Jesse Barfield, who had a strong arm and a sweet swing. Barfield's 15 outfield assists were the second most in the league. The Jays' 78 wins tied Cleveland for sixth place. The table was set for a wild ride through the 1980s.

IN A SEASON SPLIT IN TWO by a player's strike, the Jays combined the worst start and the strongest finish in the club's five-year history. Dave Stieb became the Jays' first regular starter to win more games than he lost, completing the campaign with an 11-10 record and a glittering ERA of 3.19. Although Jim Clancy struggled much of the season, righthander Luis Leal picked up the slack with a respectable 7-13 record and a fine 3.68 ERA. Joey McLaughlin anchored the bullpen by recording 10 saves and compiling a tidy 2.85 ERA. Roy Lee Jackson, acquired from the New York Mets for Bob Bailor, was solid as well, nailing down seven saves and an ERA of 2.61. Many of the faces that would go on to lead the Jays for the rest of the decade made appearances during this campaign. George Bell, Jesse Barfield, Lloyd Moseby, Ernie Whitt and Garth Iorg all saw playing time with the club. John Mayberry continued to be the club's top offensive star, leading the team with 17 homers while sharing the RBI lead with the flashy Moseby. The pieces were being put in place and the Blue Jays were about to leave the nest.

In only his third season as a M.L. pitcher, Dave Stieb fashioned an 11-10 record for the Jays.

BOBBY MATTICK, the Jay's scouting supervisor, was selected as the team's new manager and the club responded with a franchise-best 67 victories. John Mayberry and Otto Velez were the team's top offensive weapons, with Big John becoming the first Jays slugger to notch 30 home runs. Second baseman Damaso Garcia, who came over from the New York Yankees, proved to be a solid addition to the inner defense, forming a top-notch double play tandem with Alfredo Griffin. Alvis Woods hit a team-high .300 while Barry Bonnell stroked 13 homers and plated 56 runners. The greatest improvement for the Jays was on the mound, where both Dave Stieb and Jim Clancy proved themselves to be among the league's top hurlers. Clancy rebounded from an injury-plagued 1979 campaign to win 13 games while Stieb collected 12 victories and a 3.71 ERA. Jerry Garvin was the top arm in the bullpen, saving eight games while recording a glowing 2.29 ERA.

SHORTSTOP ALFREDO GRIFFIN, acquired from Cleveland for Victor Cruz, was a defensive wizard with a deft glove and quick bat for the Jays in 1979. Griffin's .287 average, 179 hits and 21 stolen bases were tops on the club and helped him win a share of the American League's Rookie-of-the-Year Award. Big John Mayberry was the team's top offensive power, leading the team in homers (21) and RBIs (74). Roy Howell established career-highs in home runs (15) and RBIs (72) while outfielder Otto Velez proved to be a pleasant surprise with a .288 average, 15 homers and 48 RBIs. Rick Cerone became the club's number-one catcher, appearing in 136 games and driving home 61 RBIs. The pitching staff was anchored by Tom Underwood (9-16) and a brash newcomer named Dave Stieb (8-8), who was 5-0 in "A" ball and 5-2 in "AAA" before earning his promotion to the big club. Stieb made it all the way to the major leagues less than a year after being converted from an outfielder to a pitcher.

TWO EXPERIENCED HITTERS – Rico Carty and John Mayberry – joined the Jays for the 1978 season. Although each reached the 20 HR plateau and combined to drive in 138 runs, the team was outscored by 185 runs over the course of the campaign. There was marginal improvement as the Jays won 59 games, four more than they did in their opening season. Rookie centerfielder Rick Bosetti, whose laser-like arm nailed 17 opposition runners attempting to take an extra base, established what would prove to be a Jays tradition of fast, young outfielders. The infield was anchored by third baseman Roy Howell, who belted eight homers and drove in 61 runs. Boppin' Bob Bailor drove in 52 runs while backstop Alan Ashby captured the club's Most Improved Player award with his consistent play behind the plate. On the mound, Jim Clancy was the top starter in the rotation, winning 10 games with a modest 4.09 ERA. Victor Cruz was the bullpen ace, saving nine games, winning another seven with a sparkling 1.71 ERA.

BIG-LEAGUE BASEBALL came to Toronto on April 7, 1977 when the Blue Jays defeated the Chicago White Sox 9-5. Doug Ault, a 27-year old rookie first baseman, homered twice in the Jays' first game. Otto Velez, who hit .442 for the month of April to earn American League Player-of-the-Month honours, became the first Jays' player to hit two-or-more home runs in a game twice, popping a pair against Boston and Oakland. Bob Bailor hit .310 for the season, the highest-ever mark for a player on an expansion team. Ron Fairly, a 20-year veteran who played with the great Los Angeles Dodgers teams in the 1960s, led the club with 19 HRs and became the first player since Stan Musial to play more than 1,000 games in both the infield and the outfield. On the mound, Dave Lemanczyk led the staff with 13 wins, another first-year expansion club record. Southpaw forkballer Jerry Garvin won 10 games and led the A.L. by picking 22 runners off base. Pete Vukovich, who finished the campaign with eight saves, a 7-7 record and a respectable ERA of 3.47, also tossed the first shutout in franchise history, a 2-0 whitewashing of the Baltimore Orioles on June 28. Other notable performers included third-sacker Roy Howell (.316, 44 RBIs); left-fielder Doug Rader (.240, 40 RBIs); and hurler Jesse Jefferson (9-17, 217 innings pitched). Although he wouldn't make an impact on the big club for a few more seasons, the Jays used their first ever "Rule 5" draft choice to select Willie Upshaw, who would later go on to wear the club's colours for nine seasons.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Back of Commerce relinquished their stake. Rogers Communications, headed by Ted Rogers, joins the ranks of North American communication companies such as Time Warner, Newscorp and Disney in their ownership of sports franchises.

THE 25th ANNIVERSARY SEASON

In celebration of the 25th Anniversary Season of Blue Jays baseball in Toronto, the organization has planned many special events for the 2001 season. The following is brief synopsis of some of the highlights. In December of 2000, the Blue Jays commenced fan voting to select the 25th Anniversary All-Time Blue Jays Roster. In a similar selection process, the 25 greatest moments in club history will be selected. In-stadium giveaways will be highlighted by a commemorative coin set. The set of six coins will be given out over six games throughout the season. The Turn Back the Clock pin set is also going to be presented to fans as an in-stadium giveaway. On opening day a limited edition 25th Anniversary Season Toronto Blue Jays Stamp, commissioned by Canada Post, will be an in-stadium giveaway. The organization has created great interest in the April 29 and September 16 games as they announced those dates as Carlos Delgado & Billy Koch Bobblehead doll nights. On the field the Blue Jays will wear their original uniforms on May 21 when they take on their first ever opponent, the Chicago White Sox. Along with other 25th Anniversary theme giveaways and weekends, the Blue Jays will hold an Alumni Weekend in August with a Gala Dinner on the 16th.

THE HISTORY OF THE BLUE JAYS UNIFORM

In 1977 when the Toronto Blue Jays began play in the American League they sported the now familiar Blue Jays logo that was designed by Toronto-based Savage Sloan Ltd.

The lettering style that has become associated with the organization began in 1977. The uniform numbers and name BLUE JAYS on the home uniforms in 1977 were done with rounded corners and a thin white centered highlight line which is now so distinctly associated with the Toronto Blue Jays.

In 1977 the Blue Jays players wore pullover uniform tops and beltless waistband pants with decorative striping of blue, white and light blue on the sleeves, necks and pants. The caps were dark blue with two white panels in front and the team logo proudly displayed in the middle. Undersweaters and socks were solid dark blue.

The home uniforms were white with BLUE JAYS arched across the chest over the Blue Jay logo which was centered on the uniform top. The lettering was dark blue split with a white highlight line centered in the lettering. The uniform numbers on the back of the jersey were done in the same split style. The road uniforms were light blue with TORONTO across the chest in solid dark blue lettering.

In 1978 a white outline was added to highlight the solid blue lettering. TORONTO on the road uniform top. In 1981 the road uniform top adopted the split lettering style as white letters with a dark blue centering line. The letters now read BLUE JAYS instead of TORONTO as had appeared across the chest since 1977.

It was in 1980 that the players names first appeared on the backs of the uniforms. The names appeared on the home uniforms only and not on the road jerseys. Names first appeared on road uniforms in 1989 after the team had dropped the light blue uniform.

In 1989 the Blue Jays dropped the pullovers and waistband pants for buttoned shirts and belted pants. The home and road uniforms saw the logo move from the center of the uniform top to the left side of the chest below the lettering. The lettering and numbers remained in the distinctive split lettering style. The player names on both of the uniforms appeared in solid dark blue letters. The home uniform remained white but made the above changes and dropped the striping around the collar. The striping of dark blue, white and light blue remained on the sleeves and the sides of the pants.

The road uniform changed from medium blue pant and shirt to a gray uniform with dark blue, white and dark blue striping on the sleeves and pants only. The name BLUE JAYS was replaced with TORONTO in dark blue in the familiar split lettering style with a white centered highlight line arched across the chest. The logo shifted to the left breast below the lettering. The road cap was changed to a solid dark blue cap with the Blue Jays logo centered on the front.

In 1994 the solid dark blue road cap was adopted as both the home and road cap. As well in 1994 an alternate jersey was added for the first time in club history. The alternate jersey being a solid dark blue buttoned jersey.

In the twenty-two year history of the club the team has added patches to the sleeves for four different seasons. In 1986 a special 10 year anniversary patch was added which was displayed on the left arm. In 1991 the Blue Jays uniform added a patch to commemorate the hosting of the 1991 All-Star Game in Toronto. The third patch displayed on the uniform throughout the season was in 1996 when the Blue Jays displayed their commemorative 20th season logo. In 1997 the Blue Jays wore the Jackie Robinson 50th year Anniversary patch. Toronto had short term logos in 1992 and in 1993 when the World Series logo was displayed on the left arm.

In 1997 the Blue Jays uniform changed as they adopted a new team logo. The new/current logo was designed by Major League Properties and brings the colour red into prominence as the maple leaf serves as the backdrop for the bird logo. The Blue Jays maintained the split lettering style on the home white buttoned jersey's and the belted pants but added a light blue centering line to the letters instead of the plain white used in the past. The road uniforms remain grey with TORONTO across the chest but it now appeared in three colours. It along with players names and numbers are now dark blue with a red centering line and a white outline. The striping on both the home and away pants was switched to blue, light blue and red. The Blue Jays also added an alternate jersey of solid blue with Toronto across the chest with the player number. The split style lettering and numbers are red with a blue centering line and a white outline. All three of the jerseys display the team logo on the left arm.

In 1999 the Blue Jays added a home white sleeveless buttoned jersey. The uniforms, accompanying by dark blue undershirts, have split letters of light blue with a dark blue dividing line. The front of the jersey vest displays BLUE JAYS along with the logo with the player names and numbers on the back. It is the only current jersey without the number on the front of the jersey.

In 2000 the Blue Jays will add an alternate logo on hats which will be used exclusively as spring training and batting practice caps. The logo features an animated Blue Jay holding a bat and reaching around a large red T to toss a ball in the air. The arm of the bird tossing the ball displays a red maple leaf.

In 2001 the Blue Jays will celebrate their 25th Season with a commemorative logo that will be displayed on the left arm of the jersey. In conjunction with the Anniversary logo, the Blue Jays have also made some changes to their uniform. The uniform changed from blue, light blue, and red striping around the sleeves and down the sides of the pants to dark blue piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. The piping is the same for all the uniforms, except the alternate jersey, which displays red piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. In addition, the solid gray road and the solid white alternate home jerseys have blue set-in sleeves. Also, the T-bird logo will be added to the front left side of the alternate home jersey, which replaces the number.

CALL IT A DRAW

The Blue Jays have played three tie games in their history. The first one was on May 13, 1984 at Cleveland. With one out in the top of the 8th inning, the rains came and play could not resume with the score tied at four. The game had to be completely replayed as part of a TWDH on August 15. The second occurrence was at Cleveland on August 26, 1986. Play was halted after nine innings due to rain with the score notched at six. The game was completely replayed as part on an August 27 TWDH. The third time was on April 26, 1998 after six innings. The Blue Jays and White Sox were tied at five when the rains came and cancelled the game in Chicago. The game was completely replayed on July 15 as part of a TWDH. Though the games were rained out, the statistics from the games were entered into the books.

1-2-3 IN BATTING RACE

In 1993 John Olerud (.363), Paul Molitor (.332) and Roberto Alomar (.326) finished the year first, second and third respectively in the American League batting race... It was just the third time in Major League history that three teammates had finished in that order- and the first since 1893. Alomar was in fourth place trailing Cleveland's Kenny Lofton heading into the last day of the regular season.

Alomar then went 3-4 on the final day to finish .001 ahead of Lofton (.325)... The two other times that this feat occurred were: 1893- Philadelphia A's (Billy Hamilton- .380, Sam Thompson- .370 and Ed Delahanty- .368) & 1891- Boston Reds (Dan Brouthers- .350, Hugh Duffy- .336 and Tom Brown- .321).

From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name "Blue Jays" and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

The 1999 New York Mets set a Major League record for Fewest Errors in a season by committing only 68. In 1995, a shortened 144 game season, both Baltimore (72 errors) and the New York Yankees (74 errors) were on pace to break the Twins' 1988 low mark. If the season had been the full 162 games and if Baltimore and New York Yankees had continued at their same 1995 pace, the Orioles would have committed just 81 errors and the Yankees 83 miscues.

They were Carlos Delgado with 28, Tony Batista with 24, Raul Mondesi with 22 and Jose Cruz with 20. The Blue Jays heading in to the to the 2000 season had never posted three 20HR men by the All-Star break... Only twice had Toronto even posted two 20-HR men at the All-Star break, they were Shawn Green (25) and Carlos Delgado (21) in 1999 and Ed Sprague (23) and Joe Carter (20) in 1996.

20 HR MEN: Seven players hit 20 home runs to tie the Major League record done once previously by the Baltimore Orioles in 1996... FOUR 30HR MEN – When Jose Cruz belted his 30th home run on September 15 in Yankee Stadium it gave the Blue Jays four players with 30 home runs (Batista, Cruz, Delgado and Fullmer)... This accomplishment has been done just twice in the history of the AL... Was also done by the 2000 Anaheim Angles (Anderson, Glaus, Salmon & Vaughn)... The NL had seen six teams post four 30 homer players in a season (Los Angeles- 1977 & 1997, Colorado- 1995, 1997 & 1999 and Atlanta, 1998).

DUO/TRIO – In 2000 Carlos Delgado and Tony Batista combined to hit 82 home runs, 41 each... This made them the third most prolific home run hitting pair in club history... If you add Brad Fullmer's 32 home runs you get the second best trio of home run hitters in club history at 114... The top trio at 119 home runs was Jose Canseco (46), Carlos Delgado (38) and Shawn Green (35) in the 1998 season.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run second inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1993.

The major league record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the second, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani.

Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado and ended the string of 10 straight hits.

Borders filed to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over his first baseman FRED McGRIFF's outstretched glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

FREE AGENCY

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.

That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensationn for clubs who lost players in this draft.

In later years, the draft was abolished and compensation was required.

Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

Major League Rule 5 Draft, 1977-2000

Toronto has selected 22 players in the Major League Baseball Draft, since their inaugural season in 1977. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for $50,000 (prior to 1985 the draft price was $25,000). The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous season records and alternating between leagues. Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. An "AAA" selection price is $12,000. An "AA" selection is $4,000.

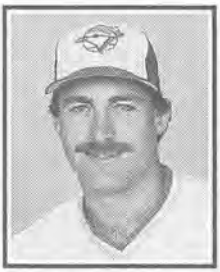
BLUE JAYS LEVEL OF EXCELLENCE

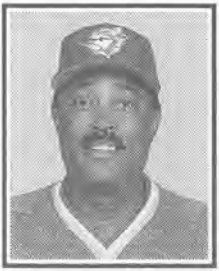
The "Level of Excellence" is the highest award bestowed by the Toronto Blue Jays honouring tremendous achievements. The inaugural members of the Level of Excellence were **OF George Bell** and **RHP Dave Stieb** who were honoured in 1996 after their tremendous careers as the cornerstones of the franchise for many seasons. **OF JOE CARTER** and **Manager CITO GASTON** were recognized in 1999.

Outfielder **GEORGE BELL** spent nine seasons with Toronto and is the franchise leader in home runs (202), total bases (2201), runs batted in (740), extra base hits (471) and sacrifice hits (59). In 1987 he was named the American League MVP as he set franchise marks in home runs (47), extra base hits (83), total bases (369), RBI (134) and slugging percentage (.605). **BELL** made his first of two all star appearances in 1987 when he became the first Blue Jay ever voted to the starting line-up. During his nine seasons **BELL** was a four time club MVP, the Sporting News AL and major league player of the year in 1987, a three time Sporting News Silver Slugger, a two time Sporting News All Star team selection and the American League Player of the Week eight times. The 6'1" right hand batter also set a major league record hitting three home runs on opening day, April 4, 1988 at Kansas City.



DAVE STIEB is the franchise leader in wins (175), innings pitched (2873.0), strikeouts (1658), starts (408), shutouts (30) and complete games (103). **STIEB** spent 15 seasons with Toronto, longer than any player in franchise history. **STIEB** appeared in an American League record seven All Star games and was the starting pitcher in both 1983 and 1984. **DAVE STIEB** also recorded the only no-hitter in Blue Jays history on September 2 1990 against the Indians in Cleveland. In 1982 he was named the Sporting News Pitcher of the Year after a 17-14 season with a 3.25 ERA and led the league in innings pitched (288) and complete games (20). **STIEB** was the Blue Jays pitcher of the year six times, a three time winner of the American League Pitcher of the Month and a three time winner of the American League Player of the Week.

Outfielder **JOE CARTER** is the franchise leader in home runs with 203 but will forever be remembered for just one, the ninth inning blast on October 23 to win the 1993 World Series. In 1,039 games from 1991 to 1997 with Toronto, **Carter** hit .257 with 578 runs scored, 218 doubles, 28 triples, 203 home runs with 736 RBI and 78 stolen bases. In his seven seasons he represented Toronto in five All-Star games including 1991 in Toronto, his first season with the Blue Jays after he was acquired from San Diego along with Roberto Alomar on December 5, 1990 in exchange for Tony Fernandez and Fred McGriff. Along with his tremendous on-field accomplishments Joe and his wife were active off the field as the Diana & Joe Carter Foundation operated the "Jumpin' with Joe" program which provided needy children throughout the Toronto area with at day a Teen-Ranch, Christian Youth Camp and tickets for a Toronto Blue Jay game where Joe would speak to all of the children. He worked with many other charities including Ronald McDonald House and also hosted an annual charity golf tournament. In his 16 year major league career Carter hit .259 with 432 doubles, 396 home runs and 1,445 RBI while playing for the Chicago Cubs (1983), the Cleveland Indians (1984-1989), the San Diego Padres (1990), the Toronto Blue Jays (1991-1997), the Baltimore Orioles (1998) and the San Francisco Giants (1998).



CITO GASTON led the Blue Jays to two World Championships, two American League Championships, four American League East titles and a franchise record 681 wins in his nine seasons as the Manager from 1989 to 1997. **Gaston** started as the Blue Jays hitting coach in 1981 where he groomed many young players including George Bell, Lloyd Moseby, Cecil Fielder, Jesse Barfield and Fred McGriff. In 1989 he served as the interim manager of the club before he was named the fifth manager in club history on May 31, 1989. He had the privilege of Managing in two All-Star games, 1993 and 1994. During his years as manager Cito gave much of his time to charity events throughout Toronto including the annual Cito Gaston Golf Classic.

ELEVEN STRAIGHT WINNING SEASONS

The Toronto Blue Jays had a string of eleven consecutive winning seasons from 1983-1993.

The current longest streak in the major leagues is held by the Atlanta Braves who have recorded 10 straight winning seasons from 1991 to 2000.

The New York Yankees' 39-year string (1926-1964) represents the Major League record.

The Baltimore Orioles have the second longest streak in baseball history with 18 consecutive winning seasons (1968-1985).

ROLAIDS RELIEF MAN

The Rolaids Relief Man Award relies upon a unique scoring system:

- Four points for each "tough save"
- Three points for all other saves
- Two points for each win
- Two points deducted for each loss
- Two points deducted for each "blown save"

In the rare instance when a relief pitcher enters a game with a lead that is greater than what is allowed to qualify for a save — Scoring Rule 10.20 (3b) — and gives up the lead, he will be assessed a two — point penalty (as he would have had he blown a save opportunity). He will not be charged with a "blown save" since the opportunity for a save did not exist.

In case of ties (for monthly or annual awards), the relief pitcher with the better percentage of successful "save conversions" (saves divided by save opportunities) will be the winner. If a race is still tied, the pitcher with the lowest earned run average for relief appearances will be the winner.

"Tough Save"

The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

"Blown Save"

When a relief pitcher enters the game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

Bobby Mattick and Al LaMacchia Awards

In 1996 the Blue Jays organization established two awards, the **Bobby Mattick Player Development Award** and the **Al LaMacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethics of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes.

The Bobby Mattick Award was named after the longtime baseball executive who has spent the last 21 years of his career with the Blue Jays. Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981.

The Al LaMacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The contributions of Al's scouting talents have been deeply etched in the Blue Jays short history.

1985 American League Championship Series

TORONTO vs KANSAS CITY

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3½ innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2 games to none.

GAME #3: George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after 4½ innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

GAME #5: LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3 games to 2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3 games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3, scoring only eight runs in the last 40 innings.

1989 American League Championship Series

TORONTO vs OAKLAND

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. As outfielder Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

GAME #3: The Blue Jays snapped a five game post season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. The win ran the Blue Jays' record to 11-0 at SkyDome with the roof closed. Overcoming a 3-0 Athletics' lead Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in games with a 6-6 win over the Blue Jays. Rickey Henderson was again a major catalyst with two HR's which accounted for four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by Geroge Bell and a sacrifice fly by Kelly Gruber.

Epilogue: In essence it was Rickey Henderson defeating the Blue Jays four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits being for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series" the best team of the regular season continued that charted course into post-season, winning eight of nine contests.

1991 American League Championship Series

TORONTO vs MINNESOTA

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization. The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion. The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count. Below is a summary of the series.

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins would not need to score another run. The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris. Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings

and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin. Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0. Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2. Minnesota was able to post three runs in their half of the sixth inning and tie the game at five. Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth. Toronto was shutdown by five shutout innings of relief. Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

1992 American League Championship Series

TORONTO vs OAKLAND

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3. The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2. John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career post-season victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs. Closer Tom Henke came on for the save in the ninth, his first ever post-season save.

GAME #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs Twins) lasting six inning before being lifted in favour of Duane Ward. Tom Henke earned his second save in as many games. Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo). The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the game sending the game into extra-innings. Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris. The A's added another run in the sixth making the score 6-1. Toronto began their comeback in the top of the eighth as they strung together five consecutive hits. By the end of the inning, the score was 6-4. The A's were held of the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6. Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 post-season. The 6-2 loss for the Blue Jays ended their three game win streak. David Cone took the loss for Toronto. He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in 3 runs for the A's. Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore. The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0. Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto 7, Oakland 1. The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

1992 World Series

TORONTO vs ATLANTA

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine. It would be the only run Toronto would score. Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak. Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells. Cone also contributed at the plate with a pair of hits and an RBI. His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolich went 2-4 on October 3, 1968. Heading into the eighth inning, the Blue Jays trailed 4-2. After a run in the top of the eighth Toronto entered the ninth inning trailing by 1. After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked. Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4. Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White. White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch. White returned the ball to the infield where Pendleton was doubled-up off first. The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the sixth inning, the Braves rallied to tie things at 1-1. Each team traded runs in the eighth keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the ninth. But after a key double play and a strikeout the inning was over. In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7 2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters. Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left. Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the fifth inning, the game was tied at 2-2. The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth. The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game. The fifth inning began for the Braves with 2 consecutive routine outs. An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2. The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time. The 11-inning game began with the Blue Jays scoring in their first inning of the game. Devon White led off the game with a single off starter Steve Avery. After a stolen base and a ground out by Alomar, White stood on third. Carter then drove in White with a sacrifice fly. Atlanta answered the call in their half of the third as Deon Sanders scored his fourth run of the series. Toronto returned the favour immediately as they regained the lead with a run in the top of the fourth on a Maldonado lead off homer. The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending it into extra-innings. The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping out for out number 1. Devon White was hit by a Charlie Leibrandt offering. Alomar then singled to centre allowing White to move up to second. With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto. In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound. Mike Timlin then came in to pitch for the Blue Jays with pinch runner Smoltz on third and two out... Otis Nixon attempted a drag bunt up the first base line, that was fielded by Timlin who threw to Carter at first in time for the final out.

1993 American League Championship Series

TORONTO vs CHICAGO

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used their half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 6 batters and stranded 11 Chicago runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning but it was the Blue Jays that would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter pitched a complete game for his first career ALCS victory. He permitted just seven hits while issuing two walks and striking out six. Tim Raines provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the Chisox lead to one (5-4) but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings permitting just two hits while walking one and striking out six. Roberto Alomar

reached base in all five plate appearances (3 hits, 2 walks) to lead the Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the Chisox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Duane Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose would achieve as the Blue Jays were crowned American League Champions for the second straight season.

1993 World Series

TORONTO vs PHILADELPHIA

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the first inning as the Phillies' catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the second, Toronto rallied with two runs of their own on four singles off Curt Schilling. Both teams traded solo runs in the third and fifth to keep the score knotted at 4-4. With 1 out in the bottom of the sixth, John Olerud took a first pitch offering from Schilling over the right field fence for a solo home run putting Toronto ahead by one. Toronto scored what would prove to be the winning run in the bottom of the seventh as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the eighth. Al Leiter, who would prove to be the winning pitcher, relieved Guzman to start the sixth and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the ninth inning as a Jim Eisenreich single scored John Kruk who had led off the frame with a single and moved to second on an error. Ricky Jordan filed out to Joe Carter for the last out to put Toronto ahead 1 game to 0 with the 8-5 win.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3. Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five. This game featured solid pitching by the Blue Jays combined with a potent offence. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple. He would also score as Carter lifted a sacrifice fly to right field. Molitor added a solo homer in the third to make it 4-0. Starting pitcher Pat Hentgen pitched six innings allowing just one run- that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after having reached base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera. Roberto Alomar finished the night with a 4-hit game while Molitor had three hits, three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead. Toronto opened the scoring with three in the first off Philly starter Tommy Greene. But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second. The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason. Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend their lead 12-7. Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out. The Phillies added a run in the sixth and one in the seventh to make the score 14-9. The Phillies relief corps could not hold Toronto from making a comeback. In the top of the eighth, the Blue Jays sent ten players to the plate. Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14. Mike Timlin, started the eighth and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning. In the ninth Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the second ever shutout of Toronto in the post season. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt. Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first. A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1. Dave Stewart, the Toronto starter held the Phillies to just one run over his first six innings. In the seventh he surrendered a three run homer to Lenny Dykstra- his fourth of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading 6-5. After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and he walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

PITCHERS AT THE PLATE

The Blue Jays never had a pitcher bat in a regular season game in their first twenty seasons.

DAVE STIEB batted against Minnesota Twins on August 29, 1980 at Exhibition Stadium but he was playing the outfield. Stieb had gone in to play left field in the 15th inning of a suspended game started on August 28th. In his only time at the plate he flied out to the center-fielder, Ken Landreaux in the bottom of the 15th. The pitcher was Al Williams. He played one inning and had no fielding opportunities as the Jays lost 7-5 in 15 innings.

In the 1992 World Series vs Atlanta, Blue Jays pitchers were 2-7 with DAVID CONE going 2-4, JIMMY KEY 0-1 and JACK MORRIS 0-2.

In the 1993 World Series vs Philadelphia, Blue Jays pitchers were 1-8. AL LEITER had the only hit, a double.

In 1997 with the introduction of INTER-LEAGUE PLAY, Blue Jays pitchers took their turn hitting. WOODY WILLIAMS became the first Blue Jays pitcher to come to bat and also had the first hit, a single. In his second at bat off Curt Schilling on June 13, 1997, ROGER CLEMENS had the other Blue Jays hit, a double off the right-field wall at Shea Stadium against the New York Mets on September 2, 1997. He came around to score the first run ever by a Blue Jays pitcher.

In 1998, Blue Jays pitchers combined to hit .100 (2-20). WOODY WILLIAMS had both Blue Jays hits, with two singles in six at bats.

In 1999 the Blue Jays pitchers batted .053 with one hit in 19 at-bats. PAT HENTGEN picked up the staffs' only hit, the first of his career, on June 8 at Shea Stadium vs. the New York Mets.

Blue Jays pitchers combined to hit .071 with two hits in 28 at-bats during the 2000 season. Frank Castillo and David Wells collected the two hits for the Jays staff with both being singles.

As a team Blue Jays pitchers have combined to hit .083 with seven hits in 84 at-bats, including a double, since INTER-LEAGUE play was introduced in 1997.

1991 ALL-STAR GAME

The 1991 All-Star Game was played at SkyDome in Toronto on Tuesday, July 9, 1991... It was the first time that the game had been held in Toronto and just the second time that it had been held outside of the United States (Montreal 1982)... Three Blue Jays players were selected to participate in the 63rd All-Star Game; second baseman Roberto Alomar, outfielder Joe Carter and pitcher Jimmy Key as well, manager Cito Gaston was a coach and Tommy Craig was named AL trainer... 52,382 fans came to SkyDome to watch the action unfold in person and millions more watched and listened to the mid-season classic on television and radio... 56 players from both the National and American Leagues came to Toronto to participate... Of those 56 players, 49 saw action as the American League defeated the National League by a 4-2 count. Toronto pitcher Jimmy Key was credited with the win in his second career All-Star Game appearance... Joe Carter was 1-1 with a run scored and Roberto Alomar went 0-4... It was the fourth consecutive win for the American League dating back to 1988.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

THE CANADIAN BASEBALL HALL OF FAME AND MUSEUM

The Canadian Baseball Hall of Fame and Museum was formed in 1983 and was located on the Exhibition grounds in Toronto for several years. In 1994 individuals from the small picturesque town of St. Marys, just west of Stratford, relocated the Hall of Fame to its new permanent home. With the success of the grand opening in June of 1998, and its continuous growth from that date, the Canadian Baseball Hall of Fame and Museum is here to stay. With our 32 acres of land containing one regulation size ball field and two youth ball fields along with our one-of-a-kind museum, and walking trails throughout the property we have a strong beginning and an even stronger future. This past summer the Hall of Fame had the pleasure of hosting the Canadian National Junior team and would be more than pleased to host your team. Included in the Hall's 48 inductees are Blue Jay greats such as Ron Taylor (1985), Bobby Prentice (1986), Pat Gillick (1997) and Dave McKay in 2001. Jim Fanning was the lone inductee in 2000, joining past Expos Charles Bronfman (1984), Claude Raymond (1984), Ron Piche (1988), John McHale (1997) and Gary Carter, who will be inducted in 2001.

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

TRADING REGULATIONS: The trading deadline is July 31.

Trades may be made with any other major league club in the period from the end of the championship season through July 31 (midnight) without waivers. Waivers are required, however:

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring three years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: a permission granted from all 30 clubs to assign a Major League player's contract to another Major league team or a minor league affiliate. Such permission is granted only for a specific period of time. The actual request is filed through the Commissioner's Office and is not disclosed to the public until the contract is rewarded.

PROCEDURES FOR OBTAINING WAIVERS:

- May request 7 players on any given business day.
- The waivers must be requested by 2:00pm ET on any business day.
- Waiver claiming period expires on the second business day after the initial request at 1:00pm ET.
- A Club desiring the assignment of a player on the waiver wire must submit a claim prior to 1:00pm ET on the last day of the claiming period.
- Priority for the waiver claim awards is given to the Club with the lowest winning percentage in the player's league when there are multiple claims submitted for the same player.
- If only one claim is entered, the claiming Club is eligible to be awarded the player contract.
- There is no specific limit on the number of claims that may be submitted on a particular day. However, no Club is permitted to exceed the 40-man or the 25-man roster limit.
- If a Club is awarded a player on a waiver claim which causes them to exceed the 40-man or the 25-man roster limit they must designate a different player for assignment.

THREE WAIVER PERIODS:

- November 11 through the 30th day of the following season.
- 31st day of the season through July 31
- August 1 through November 10

All waivers that have been granted expire at 5:00pm ET on the last day of a particular waiver period.

TYPES OF WAIVERS

- *OUTRIGHT WAIVERS (OR)* — this type of irrevocable waiver needs to be secured in order to Outright a player. An outright is to assign a player to a club's minor league affiliate without the right of recall. In other words, to remove a player from the 40-man roster. Also a player who has exhausted his options must clear this type of waiver if the club wishes to assign him to minor league affiliate. An outright waiver secured is good for entire waiver period. These waivers are needed from the 31st day of the season through August 31.
- *SPECIAL WAIVERS (SPL)* — also irrevocable, the special waiver is used for the same purpose as an outright waiver. One difference is these waivers are used from September 1 to the 30th day of the following season. A secured special waiver is good for seven days, as opposed to being good for an entire period like the outright waiver.
- *UNCONDITIONAL RELEASE WAIVER (UR)* — this irrevocable waiver is used for the purpose of an unconditional release of a player. At the time of the request the player shall be removed from all player limits. A player may be informed of the clubs intention to release him on a weekend, but the actual waiver process won't begin until the following business day. During the time a player is on an unexpired waiver request bulletin he may discuss employment with other clubs but may not contract with another club. If the player has been claimed, he must be informed the end of the two-day period that his contract has been claimed. The player has five days from the time he was notified of the claim to either accept the assignment or terminate his contract. If the player terminates his contract he forfeits termination pay. Termination pay may vary depending on the time of year.
- *MAJOR LEAGUE WAIVER (ML)* — this type of revocable waiver is common and it is used to either option a player to a club's minor league affiliate or assign a player outright to another Major league club from August 1st to the end of the regular season. A player claimed on this type of waiver may be pulled back by the requesting club. This is known as a waiver withdrawal. Generally a club needs to secure this type of waiver in order to option a player if the date of the assignment is three or more years after the date the player first reported to a Major League club during a championship season. One year shall be deducted from the above three-year period for each season in which the player may have been charged with an option prior to first reporting to a Major League club during a championship season. A claimed player pulled back by the requesting club may not be assigned and cannot be placed on waivers again (except for UR waivers) for 30 days. When ML waivers are asked for a second time in the same period the request shall state that it is irrevocable.

ASSIGNMENT OF PLAYER CONTRACTS:

- Ten and Five Rule: Players with ten or more years of Major League service (MLS), the last five of which have been with one Club, shall not be assignable to another Major League Club without the Player's written consent.
- When a player with five or more years of MLS is asked by his club to consent to an assignment to the National Association, he has three choices:

1. Accept the assignment. 2. Refuse the assignment.
3. Elect Free Agency

- Any player who has at least three years of MLS and whose contract is assigned outright to a National Association club may elect, in lieu of accepting such assignment, to become a free agent.
- Any player whose contract is assigned outright to a National Association club for second time or any subsequent time in his career may elect, in lieu of accepting such assignment, to become a free agent. Unlike a player with five or more years of MLS, this type of player does not have the option of refusing the assignment.

OPTIONAL ASSIGNMENT: to assign a player from the active 25-man roster to a minor league affiliate with the right of recall. The player remains on the 40-man roster.

RECALL: to add a player from your reserve limit (40-man roster) to the 25-man roster. This player must serve at least 10 days on option in order to be recalled unless he is replacing a player placed on the disabled list.

OUTRIGHT ASSIGNEMENT:

- MAJOR TO MINOR: to assign a player to the Club's minor league affiliate without the right of recall. The player is removed from the 40-man roster.
- MAJOR TO MAJOR: to assign a player from one Club's 40-man roster to another Club's 40-man roster. This transaction is more commonly known as a trade.

DESIGNATED FOR ASSIGNMENT:

- When a club that has reached it 40 and /or 25 man roster limit, either reinstates a player, or acquires a new player (through a selection, a signing, a trade or a waiver claim); they must designate a player for assignment or release. If they are going to assign the player, they must do it within 10 days.

WAIVER WITHDRAWALS:

- Waiver request may only be withdrawn on players who have been claimed on a Major League Waiver wire. If a player is claimed on a Major League Waiver wire, the request must be withdrawn within two business days or the contract will be awarded to the eligible club. During the two-day waiver withdrawal period the requesting Club can try to negotiate a deal with the eligible Club and make a waiver claim award under the terms of that deal.

WAIVER PRICES:

- Major League, Special and Outright Waivers are $20,000 or $25,000, while Unconditional Waivers are $1.00.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

By December 7, former club must offer to arbitrate or becomes ineligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club regains eligibility the following May 1.)

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION:

Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Three-man panels were scheduled to hear cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 and 2001.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceeding season or b)he ranks in the top 17 percent in total service in the class of players who have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceeding season.

FREE AGENT DRAFT RULE (AMATEUR DRAFT) - REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.

A club may not transfer its Negotiation Right to any other club.

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
  (1) A curfew imposed by law;
  (2) A time limit permissible under league rules;
  (3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
  (4) Darkness because of any law, the lights may not be turned on.
  (5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
    (i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
    (ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:

NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:
  (1) Immediately preceding the next scheduled single game between the two clubs on the same grounds; or

(2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or

(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible:

(i) Immediately preceding the next scheduled single game, or

(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.

(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

AMERICAN LEAGUE CURFEWS: No inning of an American league night game can start after 1:00 a.m., local time. Any inning started prior to 1:00 a.m. can be completed. Curfews shall be waived for the final series of the season between two teams in each of the cities.

Any game, regardless of length, called because of the time curfew, becomes a suspended game and must be completed from the exact point of interruption before the teams play their next scheduled game against each other.

DEFINITION OF NIGHT GAME: In the American League any game scheduled to start after 6:00 p.m. (i.e. 6:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 6:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

BATTING CHAMPIONSHIP QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPIONSHIP QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING AN EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING PERCENTAGE OF GAMES WON & LOST: Divide the number of games won by the total games won and lost.

CONSECUTIVE HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

SUSPENDED GAMES: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

"SAVE" RULE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and

(2) He is not the winning pitcher, and

(3) He qualifies under one of the following conditions:

(3) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or

(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or

(c) He pitches effectively for at least three innings.

TOUGH SAVE: The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

BLOWN SAVE RULE: When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

BAT AROUND: When all nine batters in a team's lineup come to bat during an inning.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

EARNED-RUNS RULE: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play."

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

DETERMINING A "MAJOR LEAGUE YEAR": 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

- is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
- in the case of a player who is unconditionally released, is credited through the date waivers were requested.
- in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- is credited at the rate of 172 days per "year", though the season is actually 182 days long.
- is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service) and time on the disabled list.

PLAYING RULES:

Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory —if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

SCHEDULE: The American League schedule for the 2001 season will be the fifth year to incorporate Inter-League Play. The Blue Jays will also play an unbalanced schedule for the first time since 1978, including 76 games vs. AL East opponents. The 162 game schedule will include 144 games vs. the AL and 18 vs. NL opponents. The break down is as follows:

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If player is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

4. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.

5. The trainer's room and players lounge may be off-limits to the media but each club controls these areas, and it is vital they not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods, and it is the player's responsibility to cooperate.

6. Ropes or other restraining barriers are not permitted to bar the media. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media is to be allowed in foul territory, in an unrestricted manner, in an area which is not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

7. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

8. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases which arise.

9. Visitors in the clubhouse should conduct themselves in a professional manner. There shall be no seeking of autographs, no removal of equipment and no sampling of players food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines.

10. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without League approval. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversation to be overheard during the course of a game without the prior approval of the League.

11. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club.

12. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).

13. Accredited media are not required to sign in for clubhouse access.

14. Any club whose personnel violates these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

SkyDome became the new home of the Toronto Blue Jays on Monday, June 5, 1989. The retractable roof stadium is the world's most advanced and luxurious ballpark. The stadium employs leading edge technology in both design and function. From the artificial turf to the 161 private SkyBoxes, the finest attention to detail was given.

At conception, SkyDome took an innovative approach to financing, construction and design. Until 1994, SkyDome had been owned by The Stadium Corporation of Ontario, a consortium comprised of both public and private funds. The Province of Ontario and the Municipality of Toronto each contributed 30 million dollars. Joining these two levels of government were 30 Canadian corporations including the Toronto Blue Jays Baseball Club. Each private company contributed 5 million dollars in exchange for preferred supplier status and a SkyBox. The final construction cost of SkyDome exceeded 500 million dollars.

Architects Rod Robbie and Michael Allen designed SkyDome and have patented its retractable roof system. Preparation of the site began in April 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test of the moveable roof panels took place in January 1989. More than 10,000 person-years of employment were created by the construction of SkyDome.

The venue is located just to the south and west of the CN Tower, between John Street and Blue Jays Way. A five minute walk from Union Station, it is easily accessible by the TTC or Go Transit. Several public parking lots are within a ten minute walk of the stadium.

SkyDome is home to the Toronto Blue Jays Baseball Club and Toronto Argonauts Football Club as well as playing host to hundreds of other events during the year such as concerts, trade shows and charity functions. Also located in the building is the Renaissance Toronto Hotel at SkyDome, a 348-room hotel with 70 rooms overlooking the field. SkyDome houses several corporate offices for various companies including the Toronto Blue Jays.

One of the unique features of SkyDome is that it can be "transformed" from one mode (ie. baseball) to another mode (ie. football or concerts) within hours. The 100 level seating areas are situated on railway tracks that allow the seats to move for conversion purposes.

SKYDOME PROVIDES BLUE JAYS WITH NEW TURF

The Toronto Blue Jays began playing on a brand new artificial surface (AstroTurf) beginning in 1997. Toronto's SkyDome provided the Blue Jays with a surface to be used for baseball only. The SkyDome now uses a dual turf system for baseball and football with football using the old turf.

The old system required painting football lines on the turf as well as cleaning up the base in-field areas and tobacco stains on the old turf in preparation for football games.

The new turf, AstroTurf stadium surface, was manufactured by Southwest Recreational Industries, Inc (formerly AstroTurf) based in Leander, Texas. The lifespan will now be increased to 14 years because it will only be used for one sport.

The product is the same as the previous turf with the following differences:

- the new underpad will be non-perforated and the fastening system is now velcro (instead of the zipper fasteners on the old turf);
- the velcro is easier to install, faster to install, requires lower maintenance and since the seam is tighter between the turf it will be safer for the players;
- the colour of the turf will be a slightly darker green in order to give it a more consistent look with natural grass and to add more colour contrast for television.

The total price including taxes and duties was $2,000,000 (CDN).

FIELD

- artificial turf system- Astro-Turf 8 (1 1/4 inches in thickness)
- dimensions for baseball are symmetrical, 328 down the foul lines, 375 to power alleys and 400 to dead centre
- diamond is centred two degrees off perfect north
- outfield wall is 10 feet high and padded
- bullpens are located just beyond the left and right field fences
- pitcher's mound is constructed on a fiberglass dish and can be lowered or raised by hydraulic system
- conversion takes approximately 10-12 hours to convert from baseball to football
- over 8 miles of zippers connect the strips of artificial turf

The Blue Jays play their spring exhibition games at the newly expanded and modernized DUNEDIN STADIUM at GRANT FIELD.

From 1977 to 1989 the Blue Jays played at Grant Field with a seating capacity of 3,417.

The City of Dunedin, at a cost of approximately $2.4 million provided a new stadium in 1990 to be called Dunedin Stadium at the same location as Grant Field, at the corner of Douglas Avenue and Beltrees Street.

The stadium was designed by the architect firm of JOHNSTON DANA ASSOCIATES and was built by CASE CONTRACTING Company of Plant City, Florida.

The actual playing field remained the same as did Blue Jays and visitors clubhouses.

As well as the Toronto Blue Jays, the Dunedin Blue Jays of the Class A Florida State League play at Dunedin Stadium.

In the spring of 2002 the Blue Jays will see major renovations to Dunedin Stadium. This will include the removal of the current bleacher seats and the addition of 1,000 permanent seats to make the capacity 5,500. As well, a new two-story building will be constructed and will house a new clubhouse, training room and weight room on the ground floor with office space for the major league club on the second floor. A new minor league facility will also be constructed. The site for this facility is the current Van Ech Complex, which is located just north of the current minor league facility, the Englebert Complex. The new facility will feature new clubhouses, offices, weight rooms, five full fields and a half field. Four of the fields will be arranged in a cloverleaf formation with an observation tower in the center.
